CLIENT SUCCESS STORY

Stop Eviction Consultants

From a solid starting point to dominant local visibility — while building trust with more reviews.

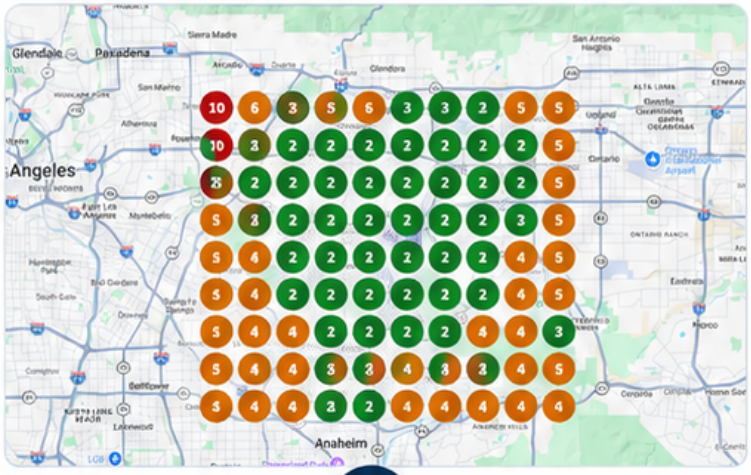

Stop Eviction Consultants already had some Google Maps visibility, but Nearby Calls helped turn good rankings into a much stronger #1 presence across the tracked area while continuing to build its reputation.

LOCAL VISIBILITY

Good rankings became dominant rankings

Stop Eviction Consultants was not invisible when the campaign began, but the tracked grid still showed mixed positions — including edge points ranging up to #10. Over time, the business tightened that footprint into a far stronger map presence, ending with an average map rank of 1.0 and #1 visibility across nearly the full tracked area.

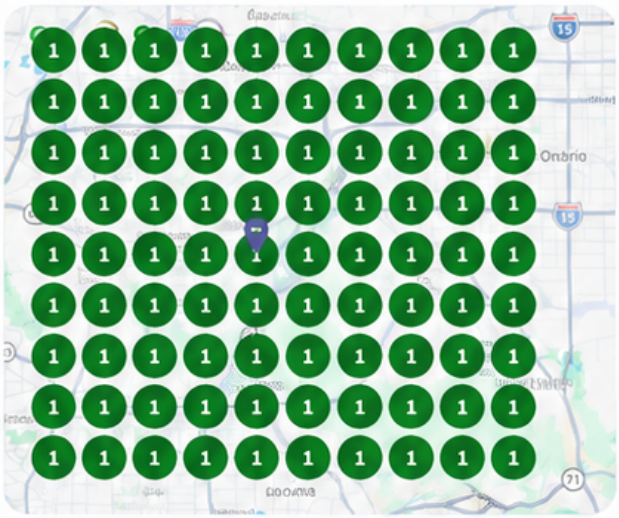

BEFORE — 7th Oct 2025

The earlier grid averaged 3.7, with mixed visibility and several weaker edge positions.

→

AFTER — 10th Aug 2026

The later grid finished at an average rank of 1.0, with #1 results across most of the tracked area.

WHAT MOVED THE NEEDLE

1

Profile optimization

Google Business Profile details aligned around high-intent search terms.

2

Ongoing activity

Consistent local visibility work helped strengthen the profile over time.

3

Reputation growth

Fresh reviews added trust and reinforced the stronger visibility.

5 of 5

Top searches were non-brand

The five highest-impression search terms in the reporting snapshot were service-intent phrases like "eviction lawyer" and "eviction" rather than the company name.

Why this matters

Reviews do more than make a profile look good. They add trust at the exact moment a stressed customer is deciding who to contact.

Nearby Calls combines **visibility + reputation** so the business is easier to find and easier to choose.
